Letters:

Planning 68a Blackburn Road

The Chair reported that the owners of the above property had written to the Parish Council to request a change to the Minutes of the Parish Council meeting on 13.09.2021 where objections to the proposed development were reported.

Chair

Date.....

The Parish Council's discussion of this planning matter on 13.09.2021 had been in the performance of the Parish Council's function as a Statutory Consultee and the Minutes are a record of concerns raised at that meeting. It is the function of Chorley Borough Council, as the local planning authority, and appellate bodies for planning decisions, to investigate and make decisions about planning applications.

It is not possible to change the Minutes of the meeting on the 13.09.2021, but this meeting records the successful outcome of the planning appeal in relation to this development and also that the property owners did not consider the Parish Council's objections to their development to have been valid.

A response to be sent to property owners.

County Cllr involvement with Parishes – Comments to be made by 02.08.2024 to lancashire@slcc.co.uk. Individual Cllrs to respond if they wish.
